From lobby to conference room, make sure your message is delivered with functional communication options from Spectra Wood. Our literature stands, conference boards, technology supports and desktop organizers help your employees carry out the clear communication that's a vital part of everyday business.

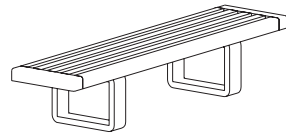

SPECTRA WOOD

Spectra Wood has been crafting quality, American-made furnishings for more than 30 years. To make sure our commercial and industrial furnishings are both durable enough for busy offices and beautiful enough to grace your executive boardroom, we use only solid American hardwoods like red oak, hard rock maple and Pennsylvania black cherry. Every piece we produce is built with old-fashioned attention to detail, using the latest woodworking technology. We pride ourselves on being a large enough operation to handle volume orders yet small enough to give each piece and each customer the care they deserve.
