

HANDCRAFTED FOR LIFE

SPECTRA WOOD

QUALITY & DEDICATION - THE AMERICAN WAY

Spectra Wood starts with the finest American lumber in the world
and places it in the hands of our dedicated woodworkers.

Made in America. Made to endure.

The Spectra Wood gang

Our reputation for making beautiful furniture with clean lines, quality construction, and reduced waste has helped us become one of the premier furniture makers in the United States.

We continue to be family-owned and operated since 1969, and invite you to visit our showroom and 90,000 square-foot manufacturing facility in State College, Pennsylvania.

Thank you for choosing Spectra Wood furniture!

Andy & Diana Friberg

Above, clockwise from top left:
 Dr. Douglas Roeshot, age 13, selling at his first Arts Festival.
 Left to right: Diana Roeshot Friberg, Andy Friberg, President, Rita Roeshot, Founder, Larry Roeshot, Founder.
 Early-seventies, Spectra Wood “work force” Larry, Rita, Doug, Deborah, Diana and David.

ROGER – Machining/Rough End, 33 years

MIKE –
Custom Builder, 21 years

SCOTT – Finishing, 25 years

CORY -
Finishing
Manager,
26 years

JAY - Lead Custom
Designer & Builder,
10 years

Our skilled furniture makers take great pride in their craft. Every piece of Spectra Wood furniture is made to last a lifetime.

LONG-LASTING FINISHES AND KNOBS ADD STYLE AND DURABILITY

Our pieces may be finished with either catalyzed lacquer or oil. Catalyzed lacquer is one of the most durable finishes available for quality furniture, providing many years of low-sheen, water-resistant protection. Natural-looking oil finishes are applied by hand and are easy to repair but require periodic re-oiling. In addition, we use environmentally-friendly, water-based stains and painted finishes.

SPECTRA WOOD FURNITURE... SUSTAINABLE AND ENVIRONMENTALLY SAFE

Spectra Wood's commitment to environmentally safe principles goes way beyond just 'green'. Since 1969 we've used solid hardwood transported from local forests, recycled our wood dust, and utilized lower VOC (volatile organic compounds) and HAP (hazardous air pollutant) finishes on our product lines.

Locally manufactured, we continually invest in new equipment and cutting-edge employee training to successfully compete against mass-produced imports.

Spectra Wood is committed to designing and building heirloom quality furniture that will last many lifetimes.

Using solid hardwoods from local forests and initiating innovative crafting techniques that use less energy, have less waste, and utilize only eco-friendly paints and finishes assures a sustainable and environmentally conscious product.

Wood is our business. This valuable resource is used prudently ensuring the third generation of our family business has the ability to continue to produce beautiful furniture that carries our name.

When you purchase Spectra Wood furniture, you are supporting responsible forestry practices worldwide.
